

THE ALOES
LIFESTYLE ESTATE

NOTICE TO ALL BUILDERS

Site Housekeeping

A reminder to builders of the COC rules regarding house keeping and litter.

We will unfortunately be implementing the agreed fining system as it seems that builders have no regard for those already living in the Estate as well as their own pride in their sites.

All waste to be paper/plastic removed daily before leaving site and building rubble every Friday.

By not containing the waste this leads to the plastic being blown away to other open stands, as per photo attached.

There is a commercial Skip Operator in town which some of you are already using, his detail:

TLB Tippers

Gert: Cell Number: 079 046 2076 / 071 634 0514

Some examples:
